

# NEURO-GUIDE PROJECT NEWSLETTER 5

October, 2020

## WELCOME TO THE 5<sup>th</sup> NEWSLETTER OF THE ERASMUS+ NEURO-GUIDE PROJECT!

The Erasmus+ NEURO-GUIDE project is now completed and all project results are developed.

In this newsletter you will learn more about:

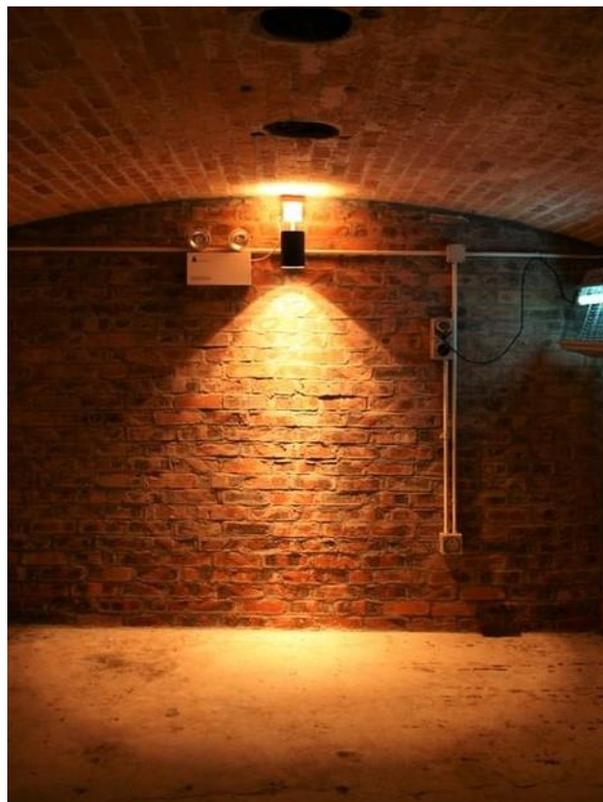

- The last activities of the project consortium and plans for the follow-up
- The final Transnational Partner Meeting

### THE FINAL RESULTS OF THE PROJECT

During the two-year project implementation period, the partners have developed three intellectual outputs.

- IO1 – Online Escape Rooms
- IO2 – In-Service Training Programme
- IO3 – Online Learning Portal

All of the project outputs are finalised, translated and available on the website for VET students and teachers to use. The e-Learning portal with the results of the project will be maintained after the project is completed.

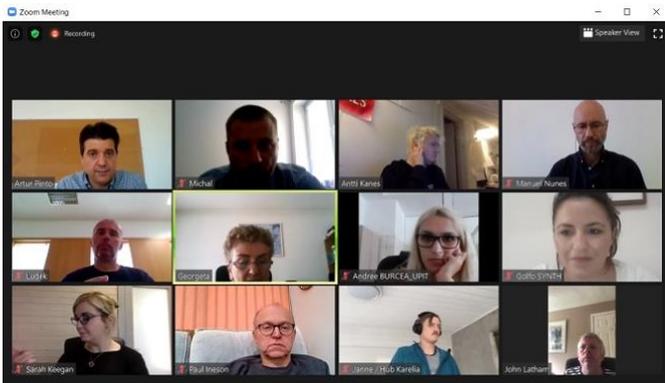

### SUMMARY

During the two years of the project implementation, the partners have carried out five meetings in Finland, Cyprus, Poland, the Czech Republic and Portugal (final meeting described in this newsletter). In addition, transnational training event was provided in Ireland. The partners promoted the project at the local level by organising multiplier events. Each partner organised workshops at the local level, using the training materials developed.

# THE FINAL MEETING IN LOUSADA

## MEETING IN LOUSADA, PORTUGAL

The final meeting of the NEURO-GUIDE PROJECT took place on 30<sup>th</sup> September 2020 in Lousada (Portugal) and was hosted by Municipio de Lousada.

## THE HOSTING PARTNER

MUNICIPIO DE LOUSADA is an institution of local public administration. It aims to pursue the interests of the population in the territorial space of Lousada Council. The council of Lousada belongs to the district of Porto. The Municipality of Lousada directs its action to achieve a sustainable development, to promote and boost the council at economic, social, environmental and cultural level, optimizing the use of available resources and striving for a public administration capable of responding to the growth objectives of the council and the needs of its citizens.

## THE MEETING SCHEDULE

Due to the limitations imposed by the coronavirus epidemic, the meeting was held in a hybrid form. Representatives of two partners came to Portugal, while the other partners participated in the meeting through ZOOM.

During the meeting, the last activities implemented in the framework of the project and aspects related to the final report were discussed. The partners summarised the 2-year period of the project implementation, the results created and the dissemination, evaluation and monitoring activities.

The partners agreed that the results achieved by the project have the potential to get even more users and intend to continue promoting them in their environment.
